\*Due to student mobility and re-enrollments, the totals may exceed the actual total number of unique students.

\*\*Unknown counts are based on students who were OS for all of the previous school year or selected school year or those who are new to the state MEP.

\*\*\*Counts in the Meeting State Assessment Standards columns use students' most recent assessment, taken within the previous 3 years, on file.

-Report includes school districts receiving migrant education program funds.

-To display Grade Level count details, select the number in the corresponding row. Total fields do not show details.
