Good morning recruiters!! Cold weather, mountain snows, early sunsets, signs that winter is finally here. Stay warm, bundle-up and always smile.

With that said, in this Friday's email I want to talk about using the "**End of Eligibility (EOE) Report**" for possible leads to new COEs.

Many times, re-interviewing families on the End of Eligibility report results in new COEs. Some of our migrant families that ended eligibility and did not make a qualifying move from their last QAD, may have made another qualifying move recently. It is imperative that Recruiters take the initiative in contacting their former migrant families and see if they have made a recent move to requalify them.

Your eCOE app has the EOE report for your convenience and lists your students according to their month of termination.

Also, if you have not turned in your recruiters logs and your District ID&R Plan please forward them to me ASAP before the 15<sup>th</sup> of December.

If you have any questions, please do not hesitate to call me at 800-274-6084 or email me at [egarza@msdr.org](mailto:egarza@msdr.org)

Thank you and have a blessed and wonderful weekend. Go Hawks!!
